FY '27 MEETINGS AND HOLIDAYS: Resolutions will be presented for both items

LEGISLATIVE APPROPRIATION: Israel is working with Brandon and ECO Water to begin the application process. We will meet with Kaylee Tuck regarding our presentation to the Legislative Delegation. A full budget request will be presented at our October meeting.

FRDAP REIMBURSEMENTS: All paperwork has been submitted for the Bark Park project, and we hope to have our check prior to the end of the fiscal year. The final stages of the Arbuckle Creek project is very close to completion.

EMPLOYEE ANNIVERSARY: Randy Nelson began working for SLID on September 3, 1991. He is celebrating his 35th year with the District. Join us in congratulating him on his years of service.
